

Alex Majumder

FLUTTER DEVELOPER

About me

Flutter Developer with expertise in Android app development and Object-Oriented Programming (OOP). Successfully built and deployed apps like 'Hatch Easy' on the Play Store. Passionate about creating scalable, maintainable, and efficient mobile applications with a focus on clean UI/UX and state management.

Projects

Hatch Easy

January-2025 - Present [Show in Play store](#)

Hatch Easy is a Flutter-based incubator app that tracks egg hatching days and provides maintenance tips for optimal results.

Expense Tracker [Github Link](#)

July-2025 - Present

Built a cross-platform mobile app using Flutter with Clean Architecture and BLoC for state management. Features include adding/categorizing expenses, summary charts, secure data storage with SharedPreferences, and responsive UI. Used GoRouter for navigation and focused on clean, modular code.

Crafty Bay [Github Link](#)

An Ecommerce App

Crafty Bay is a Flutter-based eCommerce app with a modern UI, enabling seamless product browsing, cart management, and secure checkout.

Education

OSTAD (App Development with Flutter) 2023-2024

an online live skill development platform

Completed the Ostad App Development with Flutter course, gaining expertise in Flutter, state management, API integration, and real-world mobile app development.

[Course Assessment](#) [Certification](#)

OSTAD (Flutter Advanced) 2024 to Ongoing

Turning Flutter skills into professional expertise.

Covering clean Architecture, code smells, app architecture, advanced state management (Provider, Riverpod, Bloc), custom animations, and performance optimization etc.

Northern University of Business and Technology Khulna

(2023 - Present)

Expected Graduation: 2027
